Dear Mr. Moeller:

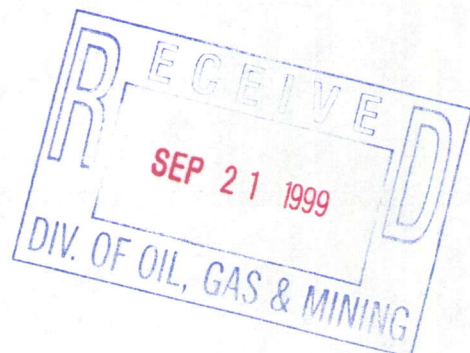

I received your letter dated August 18, 1999. This letter was in response to my decision issued on July 22, 1999, regarding your appeal of stipulations placed on the approval of your plan of operations UTU-73999. This decision affirmed in part and remanded in part stipulations placed on your operations.

Your letter has been forwarded to the Salt Lake Field Office in order for them to address items remanded to them in my July 22, 1999, decision. Please work directly with the Salt Lake Field Office on these issues. I recommend that you set up a meeting with Mike Ford of that office to address all the remaining issues that must be resolved prior to approving your plan of operations. Mr. Ford's telephone number is (801) 977-4360. If you would like one of my staff to attend this meeting, please call Terry Snyder. Her telephone number is (801) 539-4026.

Sincerely,

  
Sally Wisely
